QUESTIONS FOR SMALL GROUPS & PERSONAL REFLECTION:

- 1) What stood out to you about the mailbox/letter image—and how does it help you think about these letters in Revelation?

- 2) If you were completely honest, which version of Jesus are you most tempted to believe in: a comfortable one, a distant one, or the glorious one described here? Why?

- 3) The sermon emphasized: “How you see Him determines how you respond to Him.” Where is that showing up in your actions, decisions, or priorities right now?

- 4) John falls down in fear, but Jesus responds with “Fear not.” Why do you think both of those responses—fear and comfort—are important?

- 5) The sermon ended with: “You either listen and obey... or turn away.” What is one specific way you sense Christ calling you to listen or respond right now?

- 6) Take time this week to read Revelation 2–3 (the seven letters). As you read, what themes or repeated patterns do you notice? What stands out or surprises you?
