RACO

- Heavy duty actuators up to 275,000 pounds force with strokes to 78 inches
- Ballscrews, Leadscrew operation

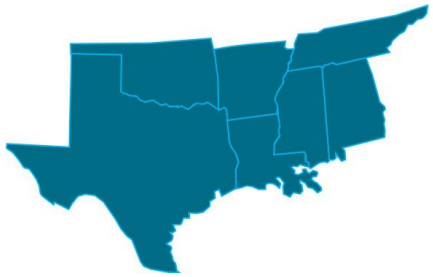

TruTech
Servo Motors & Systems

- Standard and custom servo motors up to 28kW
- Custom motor specialization—submerged, outdoor duty, food grade, AGV/AMR, military A&D, stainless
- USA made and manufactured

About Us

TecMation is high-tech manufacturers' representative agency serving TX, OK, AR, & LA

Product categories:

Motion control

Automation

Robotics

Precision mechanical

Design Services:

Custom mechanical design

Contract Programming

Control panel construction

Contact Us:

TecMation LLC

Phone: 972.955.4100

Corporate Address:

PO Box 20981, Waco, TX 76712

TecMation LLC

technical solutions for automation

TecMation

Vendors Represented

copley controls

powered by analogic

- High Performance AC and DC Input Servo Amplfiers
- Panel or Board Mount
- Ruggedized Extreme Condition Amplifiers for MIL-STD-810

JVL intelligent motors

- Integrated Closed-Loop Servo and Stepper Motors
- AC and DC Input
- 50W—4.5kW
- Profinet, EthernetIP, Ether-CAT

nexen

- Precision Linear Positioning
- Precision Rotary Indexers
- Rail & Rod Brakes
- Servomotor brakes
- Safety Certified Products

GALIL

WE MOVE THE WORLD

- High Performance Motion Controllers, I/O, Amplifiers, and motors
- PLC's
- EtherCAT

LinMot®

- Linear Motors & Amplfiers
- Linear rotary motors
- Linear motor gantries
- MagSprings
- Grippers

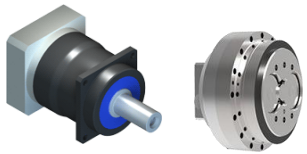

POSITAL FRABA

- Incremental Encoders
- Absolute Encoders
- Kit Encoders
- Linear Sensors
- Inclinometers

GAM

- Planetary, Robotic, Hypoid, Helical, Spiral Bevel
- Couplings—Safety, Servo, Torque Limiting, and Distance Couplings
- Universal Actuator Linear Mount Adapter Kits

- Belt Driven Actuators
- Screw Driven Actuators
- Multi-Axis Robotics
- Custom Gantries
- 7th Axis Robot Transports

MACRON

- Ballscrew & Belt driven Actuators
- Electric Cylinders
- Rack & Pinion
- Linear Motors
- Desktop Robots

TOYO ROBOTICS AMERICAS
