COMMUNITY CHURCH

Minister of Bridge Kids & Families

We exist to glorify God by developing disciples of Jesus. Our mission is to cultivate disciple making environments where children and families can find a relationship with Jesus, others, and the world.

Position

To lead a ministry to develop/disciple children and their family into disciples of Jesus.

Responsibilities

- Maintain a close, intimate, and growing relationship with Christ through personal devotion, prayer and accountability.
- Develop, lead, and implement a ministry strategy to engage, evangelize, equip, and empower children to be disciples of Jesus.
- Responsible for all programming, curriculum and ministry for birth-5th grade students, including a weekly program (worship, fellowship, discipleship, Bible teaching), summer activities, mission projects, etc. Work under the supervision of the Associate Pastor, collaborating closely with the NextGen Pastor and ministry staff to develop a comprehensive ministry to children and families.
- Create environments for children and their families to grow in relationship with Jesus, each other, and the world at church, at home, and in our community.
- Recruit, train, schedule, and encourage Bridge Kid Leaders, Interns, and other Volunteers to develop children as disciples of Jesus.
- Engage children and their families in activities throughout the community and world to cultivate disciples, who make disciples.
- Provide and assist with ministerial care for children and families within Southbridge.
- Develop a financial plan and maintain budget for Bridge Kids throughout fiscal year.
- Work with our Creative director to develop social media and electronic communications to engage and to network with children and their families.
- Regularly attend and encourage team to attend conferences and events to develop spiritual life, spiritual gifts, and leadership skills in the areas of Bridge Kids.
- Work with our Administrative Assistant and staff to maintain an accurate database for participants and their families in our church software.
- Other duties as assigned by Pastors, Elders, and HR Team.

Required Qualifications

- Motivation, enthusiasm, and attention to detail
- Self-starter, professionalism, and willingness to learn
