

CHRISTIAN COUNTY FISCAL COURT

RESOLUTION NO. 2026-21

**A RESOLUTION APPROVING A LOCAL ASSISTANCE ROAD PROGRAM GRANT
APPLICATION AND AUTHORIZING THE COUNTY JUDGE/EXECUTIVE TO EXECUTE
RELATED DOCUMENTS**

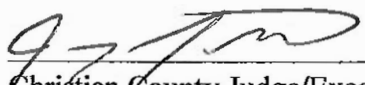

WHEREAS, Christian County seeks funding through the Kentucky Transportation Cabinet's Local Assistance Road Program ("LARP") for the eight road projects identified in the project schedules accompanying the County's application, with aggregate estimated project costs of \$581,391.04; and

WHEREAS, the Fiscal Court desires to approve the application and authorize the County Judge/Executive to act on behalf of the County in obtaining and administering the requested assistance;

**NOW, THEREFORE, BE IT RESOLVED BY THE FISCAL COURT OF
CHRISTIAN COUNTY, KENTUCKY, AS FOLLOWS:**

1. The Fiscal Court approves submission of the County's LARP application for the eight projects described in the accompanying project schedules and acceptance of any resulting grant award for those projects, subject to the limitations below. The stated project costs are estimates, not a representation that grant funding has been awarded.
2. The Christian County Judge/Executive is authorized to sign and submit the application and to execute, on behalf of the County, any related grant agreement, memorandum of agreement, certifications, assurances, reimbursement requests, and other documents necessary to obtain and administer the approved assistance.
3. Any required local match and other County expenditures shall be paid only from legally available funds appropriated for that purpose. Any additional appropriation or financial commitment requires further Fiscal Court approval before execution of an agreement obligating the County. Project work and expenditures remain subject to applicable law, procurement requirements, and the terms of the grant.
4. Effective date. This resolution takes effect upon adoption.

ADOPTED this 22 day of September, 2026.

Christian County Judge/Executive

ATTEST: 
Christian County Clerk
