Financial Commitment

New Hope Christian School operates financially through tuition and donated funds from private individuals. In order for us to provide a quality Christian educational program, we rely on parents to meet their financial obligations to the school.

Policies

- When enrolling a student, the parent or guardian accepts financial responsibility for the student by setting up a tuition payment plan through FACTS.
- All previous accounts with NHCS or another school must be settled prior to re-enrollment/enrollment.
- Payments are due on the 4th of the month and are considered past due after the 21st of each month.
- For past due balances, FACTS charges a non-refundable \$30 late fee.
- If the personal financial situation of a family changes, it is expected that parents contact the school to work out satisfactory arrangements.
- All accounts must be current prior to graduation in order for a final transcript or diploma to be issued.
- Upon early withdrawal, NHCS reserves the right to withhold refund payment of any credit balance on account for a period of two weeks to ensure that all charges have been recorded on the account.

Financial Aid Assistance

Financial aid is available to qualifying families. Financial aid letter and information can be found on the school website at www.newhopechristian.net under the About tab, then Admissions.
