

Amendment to After School Care Rate

Methodist Preschool has reassessed the daily rate for After School care due to the frequency of last-minute utilization by parents for their children.

The revised rate will now be **\$40 per day**. This rate requires prior approval from a Leadership Team member and will be processed via Procure billing.

This adjustment will be incorporated into our current Tuition and Fees statement, effective **February 2, 2026**.

I have read and agree to the aforementioned amendment to the After School care daily rate.
