## Connection

**Annie Barner**

Interim Coordinator for  
Children's Ministries

I wanted to share a picture of our Club 45 group this past month after we completed "The Curse of the Hidden Temple" escape room. If you have never done an escape room, I would highly recommend it for your family as it is an excellent team building experience that pushes each person to work together using logic. As our group worked through the puzzles there were moments of laughter and frustration. Experiences like this remind me of how church is so much more than a place we attend on Sundays. For many children, church is a community where friendships are formed, character is strengthened and faith is lived out in real and practical ways. These shared experiences help build confidence and deepen connections – not just with each other, but with the Lord. Moments like these are a beautiful reminder of what a gift even a simple outing like this brings to growing our kids closer to God and to one another. It is a true joy to be able to witness God at work among our children each week.

## Fish Banks

A gift to One Great Hour of Sharing (OGHOS) enables the church to share God's love with our neighbors-in-need around the world by providing relief to those affected by natural disasters, provide food to the hungry, and helping to empower the poor and oppressed. The three programs the funds are distributed to are:

- Presbyterian Disaster Assistance
- Presbyterian Hunger Program
- Self Development of People

Children are encouraged and challenged to fill the fish bank with loose change. Please stop by the church office if you need one. **We will collect Fish Banks on Palm Sunday, March 29.**
