

Week Twenty

Great Events of the Bible: Saul's Conversion

Suggested Scripture: Acts 9:1–19

Questions:

1. In Verse 5, Paul says, “Who are you, Lord?” How did he know it was the Lord?
2. Why do you think God blinded Paul until Ananias came? What would have happened if Ananias had not obeyed God and went to see Paul?
3. Is there anything about Paul's encounter with Jesus, his conversion **and** his life that would explain: (i) why Paul was so radically changed, and (ii) why he went on to be one of the most committed preachers, missionaries and church planters of all time (committed even to death)?

Quote of the week: There is urgency in our assignment. The more you are invested in the things of heaven, the more you will want to bring heaven to earth. Christine Caine
