

About Us

Mission

Connecting the community to advance excellence and enrich student opportunities through Edmond Public Schools.

Vision

To function as the leading facilitator of community investment in Edmond Public Schools.

History

Originally founded as the Edmond Educational Endowment in 1984 as one of the first education foundations in the state of Oklahoma.

Values

Public Education: We believe outstanding public education is the cornerstone of a great community.

Collaboration: We believe in collaborating with the community, district staff, students and our stakeholders.

Community Investment: We believe community investment builds stronger schools.

Integrity: We believe in upholding the public trust through integrity in all of our work.

Innovation and Creativity: We believe in transforming ideas into reality through creative problem solving to meet the needs of our stakeholders.
