Once a student has been accepted, the online enrollment form must be submitted with the non-refundable $300 enrollment fee.

Continuous Enrollment

Continuous Enrollment means your child's place at JICS is secured from year to year without the need to re-enroll. Families will continue to pay the yearly enrollment fee as part of this process. This allows us to plan confidently for staffing and resources while providing a seamless experience for our families. If at any time your plans change, families may opt out by following the school's withdrawal process.
