2026–2027 Carline Drop-Off & Pick-Up Procedures

JICS uses three carlines - **Orange, Blue, and Green** - for morning drop-off and afternoon pick-up. Please review the map for entrance locations, traffic flow, and exit directions.

Car Tags

Each family will receive an **Orange, Blue, or Green car tag** at Back to School Night. Please place your car tag where it is clearly visible on your dashboard during carline.

Morning Drop-Off | 7:40-7:55 AM

You may use the shortest available Orange or Blue Carline in the morning, regardless of the color of your car tag.

K3, K4, and K5 students should use the Green Carline.

*Please have students ready to exit the vehicle when you reach the unloading area to help keep carline moving safely and efficiently.

Arriving After 7:55 AM

Students arriving after morning carline has ended must be signed in through the front office.

For the safety of our students:

- Do not drop students off in the parking lot.
- Park in an available parking space.

- Walk your child into the front office and sign them in.

Afternoon Pick-Up

K3, K4 & K5 With No Older Sibling

- Pick-Up Time: 2:45-2:55 PM
- Use the Green Carline

K5-12th Grade

- Pick-Up Time: 3:00-3:15 PM
- Use your designated Orange or Blue Carline according to your assigned car tag.

*Please make sure your car tag is clearly visible on your dashboard before entering carline.

Gate Access

Gates will open at 2:35 PM. Please do not arrive before 2:35 PM.

Arriving early creates traffic backups along Sawgrass and Crosscreek and interferes with student and vehicle movement on campus.
