[22] But be doers of the word, and not hearers only, deceiving yourselves.

James 1:22 (ESV)

APPLICATION:

[12] For the word of God is living and active *and* full of power [making it operative, energizing, and effective].

Hebrews 4:12a (AMP)

- How do the words “living” and “active” change your view of the Bible? How is the Bible different than any other book? How should this impact our desire to know God’s Word?

- If the Bible is “living” and “active” why do we still find it challenging to “let It dwell in us richly”?

The Scriptures were not given to increase our knowledge but to change our lives.

- D.L. Moody

- How has God’s Word changed your life? What have you found helpful in allowing God’s Word to bring about transformation in your life? When was the last time you celebrated having the “mind of Christ” and being able to understand God’s Word?
