Maintenance Report/Expenses:

*Continue to work with Vast to get damaged cement repaired.

*Still pending status with Waterbury on shut-off valve repair.

Packages:

With the increase in packages over the holidays please be aware of your packages being delivered. If you see your neighbor's package left out in the open, please be considerate and place in a discreet location or make arrangements for someone to pickup your package.

Christmas Lights:

Christmas lights and decorations should be removed from garages, patios and fences no later than April 1st.

We Need You:

Every March, three board positions become available. We need FOUR this year. If you have a positive attitude, are a team player and care about the SPP community and are interested in joining, please contact a board member as soon as possible.

Meet and Greet:

Looking for residents that would like to get together to socialize and meet your neighbors in the clubhouse in January or February. You would be welcomed to bring cookies or other goodies. If you would be interested or have other ideas and suggestions let a board member know.

Clubhouse:

There have been some issues with the clubhouse not being returned to its original state after use. If this keeps happening the board will take action and start to require a deposit.

Garbage/Recycling:

Please put your bins out the evening before pickup when possible.

Winter Reminders:

*It is recommended that you leave your kitchen cabinet door for the sink open and do not set your heat below 68 degrees to avoid pipes under sink from freezing.

*If you are out of town, please have someone check your home frequently.

*Snow removal in the complex can take a fair amount of time during heavy snowfall. Priority will be given to opening the entrance roads and main roads and then the crews will move to the visitor parking spaces. Once the visitor parking spaces are cleared, please move your vehicles to those spaces so assigned spaces can be cleared. If your car becomes a nuisance to the snow removal and you cannot be reached to move it, your vehicle will be towed at your expense. If you are going out of town, please make arrangements for someone to move your car as needed.

*Home owners are responsible for shoveling when snow amounts are less than 2 inches.
(Measurements at the Sioux Falls airport are used to determine this.)

Ice Melt:

Ice melt is available inside the clubhouse for your use. Homeowners are responsible to keep ice cleared on front patio and sidewalks. Please do not over salt as this can cause damage to the sidewalks and garage siding. If you notice the ice melt is getting low, please contact a board member.

Next Board Meeting:

Join us on **January 11, 2021 at 6:30 pm**. By attending a board meeting, you're able to hear the discussions, recommendations, and concerns about our Community. You can learn more about how and why decisions were made and what is in the works for the future. Homeowners are allowed 5 minutes to speak.
