

summer sundays

A welcoming people. A growing faith.
A campus impacted for Christ.

Dear FBC Family,

As we prepare to worship together this summer at MTSU, we want to reassure our elderly and ADA members that your comfort and accessibility remain our top priority.

While we're away from our home campus, we have made special arrangements to ensure everyone can still join us with ease. ADA accessible entrances will be clearly marked at the MTSU Student Union, and for added convenience, golf carts will be available to transport members directly to the doors from nearby drop-off areas and parking lots.

To assist you further, we have provided a detailed map showing designated parking areas and drop-off locations. This map will be available on our website, app, and at the welcome table on Sundays.

If you or a loved one would benefit from these services, please inform a parking or hospitality team member upon arrival. We are here to serve you.

Let us continue to grow together in faith no matter where we gather.

With Care,

FBC Communications Team
