LIVING WITH PURPOSE

PRESENTATION DURATION

gx presentations
typically run
between
45 to 60 minutes,
depending on the
school's
schedule and
preference.

We can also adapt timing to fit
shorter assemblies if needed.

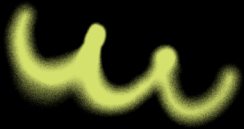

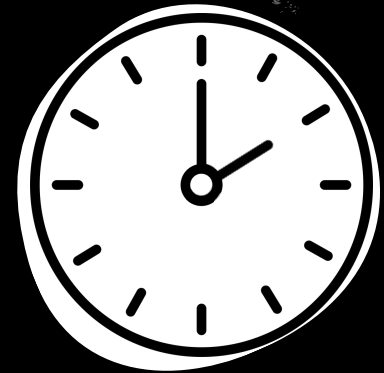

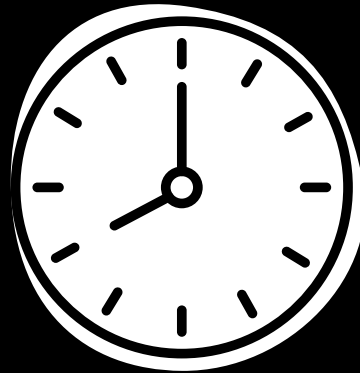

PRESENTATION SLOTS

gx can do several
presentations in
a day.

1st slot ~ 8am

2nd slot ~ 11am

3rd slot ~ 2pm

We focus on schools in the same
area to minimize travel time

PRESENTATION LOCATION

School gymnasiums are ideal due to space and student capacity.

However, gx can also perform in auditoriums, multipurpose rooms, or outdoor spaces, if properly arranged.

gx brings protection for flooring and all the equipment necessary to perform for a large crowd.

We only need access 1 hour in advance to set up, and can tear down in half that time.

gx is flexible and can adapt to different environments.

Feel free to ask questions if you have any concerns!
