JULY/AUGUST 2026

**Summer Missionaries
having FUN at
Soccer Party Clubs!**

Soccer Party Clubs took place on June 19th and 24th. After each hostess spent time praying for and inviting the neighborhood children, the summer missionaries conducted the outreach with games, a lesson, memory verse, and songs. Many parents looked on while the 28 children (combined total for two clubs) participated and finished with soccer-themed refreshments!

JOYFUL Response

During *5-Day Clubs*, we were able to report back to the kids who gave money last summer for children in Uganda to attend Christmas Camps. The kids were **overjoyed** to learn that they had raised \$1,000 from our area! This support was used to send 337 children to Christmas Camp. Ministry totals were 35 Christmas Camps held, 11,067 attended with 4,616 receiving Christ as their Savior!!!

Always enjoy getting the children to pronounce the name Mephibosheth. One child commented, "Oh, I'm just going to call him Sheth."
